**MEMO ENDORSED**

Re: Vinay Gupta vs. Astrue (Commissioner - SSA)  
07 Civ. 2805 (JCF)

Dear Judge Francis IV:

Per your notation of 2/21/08 (copy enclosed) your honor had granted me until March 14, 2008 to file the Sur-Rejoinder in the above case.

On March 14, 2008 I went to the Pro Se window with the Sur-Rejoinder which they refused to accept. I have adhered to March 14, 2008 even though I have not been able to obtain all the cases I wanted.

I am aware of your Memo and Order dated March 7, 2008.

This Sur-Rejoinder cites some highly important cases - including several from World Court, which the US lost to UN, Nicaragua, Mexico, Paraguay and Germany for its violations of international conventions. Also a very very recent US S Ct case - Fed Express vs. Holiweck and 14 others - identical issues to mine.

My earnest hope the court will honor its word.

Yours faithfully,

*Vinay K. Gupta*
